GRACE RIVER ANNUAL REPORT 2020

Grace River Family,

The year **2020** had lots of ups and lots of downs. God has been so good and faithful through it all. One thing I have really been reminded of is that **the church is not a building you drive to, but a movement that you choose to be a part of.** During this past year we have seen lives transformed by the message of Jesus.

Behind every one of these numbers in this report is a person that took a next step. **God cares about the details of our lives.** That is why we create this **Grace River Year-End Report**, so that we can reflect back on all that God has done!

I am grateful to be a part of a vibrant, loving, growing, relentless church like **Grace River**. It is with great joy that I can say **"The best is yet to come!"**

Let's keep praying, keep serving, and keep taking next steps of faith, so that more people can meet, know and follow Jesus!

God Bless You
